

Let's Get Ready for Bed, Chapter 1

Sam said, "I like it when we eat spaghetti. Thank you, Mom!"

Then, Dad said to Sam, "Come on. Let's get ready for bed.

Tell us, do you want your mom or me to put you to bed?"

Sam said, "Dad, I want you to put me to bed. But first, I want to look at a book."

Mom said, "Then I will put Kim to bed." She left and went to go put Kim to bed.

Dad said, "First, you need to take a bath and put on your clothes. When you are ready for bed, then we can look at a book."
